**ILLEGIB** 

STAT

Colonel Archie Lewis Marwell Air Force Base I sur sorry that I missed seeing you when you were in Wash-Maxwell, Alabama Box 109 With regard to the address which the Director made at the With regard to the address which the Director made at the Army War College last june.

I find that he made it extemporaneously have tooled at a convergence of the property of Dear Archi ington recently.

Army War College last June I find that he made it extemporaneously from some rather than from a written paper. I have looked at a copy of his notes, and while they do saws a more outline of the region he cover of his notes. erom ages rather than from a written paper. I have looked at a copy of his notes, and while they do give a good outline of the topics he cover of his notes, and while they do give a good outline of the real of his notes, and them are in his own navarnal handwriting and I do not give a good outline of the real of his notes. of his notes, and while they do give a good outline of the topics he covered many of them are in his own personal handwriting and I do not then they do give a good outline of the topics he covered the state of the ered many of them are in his own personal handwriting and I do not feel that I could take the liberty of passing them on to anyone else with the feel that I could take the liberty of passing them on to anyone else with the feel that I could take the liberty of passing them on to anyone else with the feel that I could take the liberty of passing them on to anyone else with the feel that I could take the liberty of passing them on to anyone else with the feel that I could take the liberty of passing them on to anyone else with the feel that I could take the liberty of passing them on to anyone else with the feel that I could take the liberty of passing them. reel that I could take the liberty of passing them on to anyone else would not his permission which I assume, under the circumstances, you Mr. Dulies is in great demand by the Service schools and Mr. Dulies is in grest demand by the Service schools and many others for speaking engagements, and if you are seriously considering asking him to come to the Air war College I would urge you sidering asking him to come as nonsible. would not went me to request,

We miss you here and hope that we shall have the opportun-SIGERING SERVING BLIR TO COME TO THE ALL WELL TO fORWARD YOUR REQUEST \$8 SOON SE POSSIBLE. We miss you has through Washington next.

L. K. White Debuty Director
